The Attic

Welcome to Margaret's attic - filled with weird and wonderful treasures to discover, flavours you've long forgotten about and some you haven't stumbled upon before.

Get cosy in one of her chesterfields, have a little nosey around, and most of all, enjoy the tipples inspired by Grandma Great.

The cocktails served in family heirlooms are made with love, from scratch every time, so lean back, get lost in the drinks and forget about downstairs & the rest of the world for a little while!

Love,
George & Margaret
